WHEREAS, on May 15, 2020, the Director of Emergency Services issued a Fifteenth Supplement to the Executive Order of the Director of Emergency Services Declaring the Existence of a Local Emergency authorizing enforcement of preferential parking rules to resume in Zone 3 only beginning May 22, 2020 and authorizing street sweeping to resume with individuals encouraged to comply with posted signs regarding parking prohibitions for street sweeping during the days and times indicated, but only during the first full week of each month, which is when the street sweeping will occur; and

WHEREAS, as of May 18, 2020, the Los Angeles County Department of Public Health has confirmed 38,451 cases of COVID-19 in Los Angeles County and has continued to advise that bold and aggressive measures are required to be put in place to prevent the further spread of COVID-19; and

WHEREAS, the City has a number of Boards, Commissions, and other appointed bodies, many of which serve a primarily or wholly advisory function, and all of which are required to conduct public meetings in accordance with the Brown Act; and

WHEREAS, meetings of the majority of the Boards, Commissions, and other appointed bodies have been suspended during the COVID-19 public health emergency pursuant to a directive from the City Manager for purposes of complying with social distancing requirements and due to the amount of staff time necessary to conduct public meetings either in person or via teleconference; and

WHEREAS, during the COVID-19 emergency, it is critical that restaurants stay open because they are performing essential services, along with grocery stores and other food services, to provide the public with access to food; and

WHEREAS, the social/physical distancing measures required to reduce the spread of COVID-19 means that delivery and takeout offerings from restaurants are critical to the public's accessibility of food; and

WHEREAS, many consumers in the City are eager to support local restaurants and use third-party food delivery services to place orders with those restaurants and, as a result, these third-party food delivery services have experienced an uptick in the use of their services during the COVID-19 emergency; and

WHEREAS, third-party food delivery services utilize various commission models that can charge a restaurant as high as 30% or more per order, including delivery, marketing and promotion, subscription, and processing fees; and

WHEREAS, restaurants, and particularly small family-owned restaurants with few locations, have limited bargaining power to negotiate lower commission fees with third-party food delivery services, especially given that only a few companies in the marketplace provide such delivery services, and face dire financial circumstances during this COVID-19 emergency because take-out and delivery are the only options to keep these essential services in operation; and

WHEREAS, capping the maximum fees that third-party food delivery services are permitted to charge restaurants to no more than 15% of the purchase price per order for delivery fees and to no more than 5% of the purchase price per order for all other fees will further the significant and legitimate public purpose of easing the financial burden on struggling restaurants during this public health emergency so that they may remain open and provide essential services to the public while not unduly burdening third-party food delivery services, as up to a 20% fee in aggregate of the purchase price for each order placed through a third-party food delivery service is reasonable and third-party food delivery services are experiencing increased demand for their services during this COVID-19 emergency; and

WHEREAS, California Government Code 8634 empowers the City to promulgate orders and regulations necessary to provide for the protection of life and property during a local emergency, and

WHEREAS, in the interest of public health and safety, as affected by the emergency caused by the spread of COVID-19, it is necessary to exercise my authority pursuant to Section 2.16.060 of the Santa Monica Municipal Code to issue this regulation related to the protection of life and property.
