

# FOOD PANTRY DONATIONS

The City of Santa Monica is operating a food pantry to serve those facing food insecurity in our community. The Westside Food Bank provides over 13,000 pounds of both perishable and nonperishable food items to help us serve over 200 people per week, and we continue to explore capacity to scale up the program and expand food options to include more produce, shelf-stable dry goods and pre-packaged meals.

Do you have items that you would like to donate to the food bank? If so, please visit [santamonica.gov/coronavirus-donate](https://santamonica.gov/coronavirus-donate). City staff will follow up with you. Thank you for your support!
