## What is Guaranteed Ride Home (GRH)?

GRH is a free benefit offered to commuters who carpool, vanpool, take transit, bicycle, or walk to work to get them home in case of an emergency up to \_\_\_ times per year.

If you experience an emergency and are without a ride home, the GRH program will:

- provide you with a ride
- reimburse you for your ride

## When can I use the GRH program?

If you carpool, vanpool, take transit, bicycle, or walk to work and have a valid emergency you can use the GRH program. Emergencies include, but are not limited to:

- Personal illness or emergency
- Unexpected illness/emergency of an immediate family member
- Carpool/vanpool driver has an emergency or unexpected overtime
- Unplanned overtime
- Vehicle mechanical problems
- Other: \_\_\_\_\_

## How do I use it?

When you need to leave work:

1. Notify: \_\_\_\_\_
2. Use the following means to return home (only the options selected are allowable by company policy):

- Drive Company Vehicle
- Hail an Uber, Lyft, or Similar
- Hail a Taxi
- Ride Public Transit
- Request a Supervisor / Co-worker drive you
- Other: \_\_\_\_\_

3. After the GRH service is used, complete the following steps:
