

CELEBRATING 30 YEARS OF SUSTAINABILITY

IN SUSTAINABLE MODERN

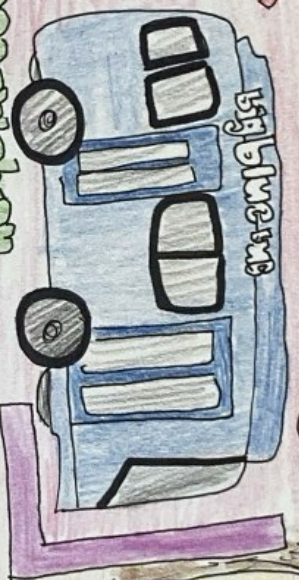

PEOPLE

• Cleans up the environment

TRANSPORTATION

• Electric vehicles are more safer for the planet.

BY DOING THESE THINGS,

We can improve the Earth's climate and create a better treated planet for us in the present & future. They also help with creating a better community.

Environment &

- Planting (with a tree icon)
- Recycling (with a recycling bin icon)
- Transparency (with a person holding a sign icon)

Economy

- Help each other (with a person helping another icon)
